

We Learn Together: How is COVID-19 a Social Justice Issue?

This presentation informs and motivates change within society and communities to help fight for social justice during the COVID-19 pandemic.

Associated learning concepts: (Social Justice, Critical Race Theory)

Social Justice: The relation of balance between individuals and society measured by comparing distribution of wealth differences, from personal liberties to fair privilege opportunities.

Critical Race Theory: A framework of social science theories and research examining the relationships among concepts of race, law, and power.
